Dear Publicist:

I'm very pleased to inform you that the May 2013 issue of our library newsletter "Wisconsin Bookwatch" features "The Traveling Soup Pot, A Savory Journey Through Many Lands". A tear sheet is enclosed for your records.

This review also appears in the May 2013 issue of our online book review magazine "Internet Bookwatch"; and has been posted with the Thomson-Gale interactive CD-ROM series "Book Review Index" which is published four times yearly for academic, corporate, and public library systems. Additionally, this review will be archived on our Midwest Book Review website for the next five years at www.midwestbookreview.com

Incidentally, although our bylaws prohibit accepting money from authors or publishers (in order to avoid any conflict of interest issues), we did amend it to allow authors and publishers who wanted to make a gesture of support and appreciation for what we try to do here at the Midwest Book Review in behalf of the small press community to donate postage stamps "for the cause". So if you'd like to donate some postage stamps to the Midwest Book Review, feel free (but not obligated!).

I look forward to your next title!

Sincerely,

James A. Cox
